Agoda Integration Guide

Value Drivers: *Site Tours*

Product Tiers: *SalesHub Starter | SalesHub Pro*

Overview

Enhance your visibility on Agoda by adding immersive 360° photos to your OTA listing. Using **SalesHub Starter** or **Pro**, you can showcase your rooms, amenities, and shared spaces with stunning panoramic visuals—providing an interactive, trust-building preview that captures traveler interest and inspires more bookings.

Benefits:

- **Elevate Your Presence:** Enhance your OTA listing by adding 360° photos that immerse travelers in your property before they even arrive.
- **Inspire Leisure Travelers:** Let guests explore your rooms, amenities, and surroundings in stunning detail—helping them picture their vacation and feel excited to book.
- **Drive More Direct Engagement:** With a more dynamic, visual experience, your listing stands out from the crowd and keeps travelers engaged longer.
- **Inspire Confidence:** 360° visuals set accurate expectations, build trust, and reduce hesitation—making it easier for guests to commit to their stay.
- **Increase Bookings:** When travelers feel confident and inspired, they're more likely to book directly through your OTA listing—maximizing visibility and revenue.

Submit Your Request

Step 1: Contact Your Customer Success Manager

- Notify your Customer Success Manager that you'd like to distribute assets to your Agoda profile

- You Customer Success Manager will provide you with the flattened pano files to be uploaded to your Agoda profile

Step 2: Upload Files to Your Agoda Profile

- Log into **YCS**
- Navigate to the Photo Upload Section
- Go to the **Property** tab
- Select **Photos**
- Click on **Upload Photos**
- Upload Your 360° Images
- Click **Select Files** to browse and choose your 360° images.
- After uploading, assign appropriate categories to each photo
- Click **Save Changes**

Recommended Content Types

Content Type	Why It Works
360° Photos	Offer a highly realistic, detailed view of spaces
